ITCS-C6

Call and Reset unit

- ✓ Water resistant (IP56)
- ✓ Illuminated Call button (green)
- ✓ Illuminated Reset button (red)

Description

ITCS-C6 is water-resistant (IP 56) unit for calling and call reset. Call is done with illuminated green *"CALL"* push button. When call is done, red bulb situated in *"RESET"* push button is lighted up. Call reset can be done by that push button. After call is reset, red light goes off. Green bulb in *"CALL"* push button lights all the time (when system is on), to ensure visibility in dark spaces
