WT-BOX

Watertight box w/ 6x labeled terminals and 3x M20 glands

- ✓ Watertight junction box for heater and thermostat
- ✓ 3x M20 cable glands included
- ✓ Terminals and labeling included

☁ IP66

Description

This polycarbonate watertight box is ideal for connecting heaters and thermostats inside PLM or WCAB cabinet series. It comes with 3x M20 cable glands and marked terminals.

The WT-BOX features IP66 ingress protection, making it suitable for use in cabinets that may be exposed to rain or sea spray.
