## EDGE Mobile App phase-out

To : All Zenitel Offices & Partners

January 19, 2023

The current EDGE mobile app will soon cease to be supported. From end December 2022 we are no longer testing and releasing new versions of the Zenitel app. Support will be limited to back-end only, with no new bug-fixes. .

The current version of the EDGE app will continue to function on iOS15 and Android 12, until 20th May 2023 at midnight.

Wherever possible, we will transfer licenses for those existing customers migrating to an alternative solution.

Suggested alternatives compatible with Zenitel products:

- Grandstream Wave Lite App
- Cybertwice Teams integration
- Milestone Xprotect Mobile App

### Your Feedback

If you have any questions related to this bulletin, please contact your local Zenitel sales representative. We look forward to further developing our cooperation in 2022 and are grateful for your continued business and support
