

REACH Regulation (EC) No 1907/2006

Certificate on the presence/absence of SVHC

The company **SOCA TECHNOLOGY CO.,LTD**, certifies that:

1. **Articles being currently delivered to BFS Norway (except those in the table below) do not contain Substances of Very High Concern (SVHC)** included in the latest candidate list published and updated by ECHA in a concentration above 0,1%.

The current candidate list can be found on the European Chemicals Agency Website:
<http://echa.europa.eu/candidate-list-table>

2. **Articles supplied to ASSA ABLOY containing Substances of Very High Concern are listed in the following table:**

| Name of the article or preparation delivered | Reference | Name of the SVHC | CAS number of the SVHC | SVHC concentration by weight in the article or preparation | Weight of the article |
|--|-----------|------------------|------------------------|--|-----------------------|
| No | | | | | |

Articles which are not listed, do not contain substances of very high concern (SVHC)

We hereby undertake to communicate in the future to ASSA ABLOY any relevant update on the table above, should new SVHCs be added in the candidate list of ECHA, and be contained in our articles.
